

Village Halls & Community Buildings Advice Service

Energy Efficiency Audit Service

**Is your hall energy efficient?
Would you like to know where the maximum savings can be made?**

**An Energy Efficiency Audit of your hall is the first step to
reducing your carbon footprint and saving you money!**

The Rural Community Council of Essex is pleased to announce the launch of a new energy efficiency initiative for owners and occupiers of village halls and community buildings.

The Energy Efficiency Adviser will be available to undertake:

- A hall survey
- An analysis of energy bills
- Full report providing recommendations for improvements giving cost savings
- Ideas on where to seek funding for energy efficient measures.

This new service will encourage energy savings and will provide evidence of need for funding applications.

Full details and costs are available from the RCCE website: www.essexrcc.org.uk or by contacting the energy adviser on 0844 4773938, e-mail: energyadviser@essexrcc.org.uk
