### Community Agents North Chelmsford and North East Essex

Looking for a flexible job supporting people in your local community?

Community Agents Essex is seeking to add to our network of agents. The districts we are looking to cover are North Chelmsford, Braintree (north) and Uttlesford.

Community Agents support adults, especially older people and people with learning disabilities and autism and their informal carers, to enable them to remain living in their own homes. The role involves visiting people in their own homes – on an appointment system – and explaining the help and support that is available to meet their individual needs. It is not a personal caring role.

The job is flexible to fit around personal/family commitments, working between 10 and 20 hours a week (minimum 10). The Salary range is £10.00 - £11.00 per hour plus travelling expenses. Full training and support will be provided but you must have a good knowledge of the local community and the district. An interest in or experience of Learning disabilities and autism would be beneficial but not essential. An enhanced DBS will be carried out.

## United in Kind Coach (Tendring District)

United in Kind is a social movement encouraging acts of kindness and supporting local people and communities to tackle social isolation and loneliness. Although we have four core groups who are most at risk of loneliness: older people, those with learning disabilities and autism or mental health issues and carers, this is about inclusivity and kindness.

We are looking for someone who can help make things happen, have an understanding or experience of volunteering, developing relationships and supporting people to achieve things in their community. This is a social movement built on acts of kindness and community spirit. It is about listening to an idea and helping someone make it happen in their community. Or having an idea for acts of kindness and involving people in that. If you have brought ideas to life locally, then we want to hear from you.

You will need to be a proactive person and be computer literate. You need to have a full driving licence and have access to a vehicle for work. The role involves the need for a DBS certificate and we are particularly interested in those living in Tendring district, with networks and evidence of connections and activity in this locality.

Hours: 25 per week

Salary: £22,000 pro rata (actual £15,714 per annum)

**Application is by email with CV and details to [sarah.sapsford@essexrcc.org.uk](mailto:sarah.sapsford@essexrcc.org.uk) explaining why you should be considered and evidence of experience/skills.**
